RACING IS MORE THAN JUST 'SPORT'
IT IS A COMMON PASSION THAT CONNECTS US.

WHAT CAN BE SAID ABOUT THE LAST THREE YEARS THAT HASN'T ALREADY BEEN SAID? GLOBAL TURMOIL HAS REMINDED US ALL THAT MOTORSPORTS ARE MUCH MORE THAN JUST CARS OR TRUCKS AT A RACE TRACK.

OUR MPI FAMILY HAS GROWN STRONGER AND CLOSER THAN EVER AND I CONTINUE TO FEEL GRATEFUL FOR ALL THOSE WHO HAVE TAKEN THIS JOURNEY WITH US. HERE'S TO THE NEXT CHAPTER IN THE STORY OF **MAX PAPIS INNOVATIONS**.

#MPIFAMILY

WHEN WE FIRST STARTED MPI, WE COULD HAVE NEVER IMAGINED WE WOULD HAVE CREATED THIS SENSE OF COMMUNITY THAT WE NOW CALL OUR "MPI FAMILY." NOW MORE THAN EVER, WE ARE INCREDIBLY GRATEFUL FOR OUR #MPIFAMILY AND WE LOVE SEEING THE SMILING FACES OF THE RACERS WHO USE OUR PRODUCTS.

WHETHER YOU RACE AT THE TOP LEVEL OF MOTORSPORT, OR YOU ARE A KID WITH A DREAM AT YOUR LOCAL TRACK, WE ARE HONORED TO HAVE YOU IN OUR RANKS. WE ARE INCREDIBLY FORTUNATE TO HAVE OUR PRODUCTS IN USE AT THE HIGHEST LEVELS OF COMPETITION. THAT SAID, WE HAVE A SPECIAL APPRECIATION AND CONNECTION WITH GRASSROOTS AND AMATEUR RACERS. WHETHER THE BRICKYARD OR THE BACK YARD, WE CONTINUE TO SALUTE AND SUPPORT ***ANY*** RACER WHO STRAPS ON A HELMET AND PURSUES THEIR PASSION.

YOUR SAFETY IS MORE THAN JUST A CATCHY HASHTAG

OUR PRODUCTS TRULY ***ARE*** DIFFERENT. WE SPEND A TREMENDOUS AMOUNT OF TIME AND ENERGY MAKING THE SAFEST STEERING WHEELS ON THE MARKET. OUR HAND APPLIED DOUBLE RIVETS AND PROPRIETARY 'U-CHANNEL' CONSTRUCTION SET US APART IN THE INDUSTRY. BOTH ARE DESIGNED TO REDUCE INJURY AND PROVIDE MAXIMUM SAFETY DURING ANY IMPACT. READ MORE ON OUR WEB SITE.

VIBRATION IS THE ENEMY

THEY SAY YOU CAN'T REINVENT THE WHEEL, YET IT'S PRECISELY WHAT WE DID. WHILE OUR COMPETITION WELDS, WE RIVET. WITH OUR MPI "AMST" TECHNOLOGY, FASTER LAP TIMES COME BY WAY OF BETTER FEELING. OUR AMST (ADVANCED MOLD SHAPING TECHNOLOGY) OFFERS DRIVERS A MUCH BETTER FEEL AND SENSITIVITY. IT'S AS SIMPLE AS THIS:

LESS VIBRATION. BETTER FEELING. FASTER LAP TIMES.

#MPIDIFFERENCE

WHY THE ORANGE STRIPE?

WHY THE ORANGE STRIPE?

IN THE EARLY DAYS OF MPI, WE CONSULTED WITH NONE OTHER THAN 'THE KING' **RICHARD PETTY**. HE EXPLAINED HIS SIMPLE, YET HIGHLY EFFECTIVE METHOD FOR FINDING "12 O'CLOCK" IN A SPIN. USING BRIGHT ORANGE ELECTRICAL TAPE, PETTY MARKED THE CENTER POSITION FOR QUICK REFERENCE. WITH HIS BLESSING, WE INCORPORATED THIS INTO OUR WHEELS. IT HAS BECOME OUR CALLING CARD AND AN ICON OF MPI SAFETY AND INNOVATION.

ASPHALT OVAL/CIRCLE TRACK

"MAX PAPIS AND HIS YEARS OF RACING EXPERIENCE DELIVER A PRODUCT THAT IS BUILT FOR RACERS. THERE AREN'T MANY COMPANIES ON THE MARKET THAT HIT PERFORMANCE AND SAFETY MARKS... AT THE SAME TIME."
-JOEY LOGANO

I'VE HAD THE OPPORTUNITY TO USE MPI STEERING WHEELS AND THE QUALITY IS ONE OF A KIND. THE TIME AND EFFORT THAT GOES INTO THEIR WHEELS ARE SECOND TO NONE."

CHASE ELLIOTT - 2020 NASCAR CUP SERIES CHAMPION

MPI JUMPED INTO OUR SPORT, AND IDENTIFIED WHAT HAD BEEN OVERLOOKED FOR YEARS. I'M THANKFUL HOW FAR THEY HAVE MOVED THE NEEDLE FOR US DRIVERS.

DANIEL HEMRIC - NASCAR XFINITY CHAMPION

EVERY MPI WHEEL THAT I HAVE EVER USED FEELS VERY INTUITIVE AND COMFORTABLE. THEY REALLY LOOK AT THE SAFETY AND BUILD OF THE WHEEL. ONCE I MADE THE SWITCH, I HAVEN'T LOOKED BACK.

BEN RHODES - NASCAR TRUCK CHAMPION

AS A DRIVER, WE PUT SO MUCH EMPHASIS INTO COMFORT. THE HARD WORK MPI PUTS IN BEHIND THE SCENES TO CREATE THE MOST EFFECTIVE PRODUCT IS CLEAR.

JUSTIN BONSIGNORE - NASCAR MODIFIED TOUR CHAMPION
